TTS  
Coupe

# An icon derived from technology and tradition.

Take a moment and really look at the images on this page. An iconic design represented in three sculpted expressions of progressive Audi technology and tradition. The 2019 Audi TT is available as a Coupe or Roadster. The Audi TTS features sport-tuned performance and appeal. The available competition packages for TT and TTS reflect the legacy of Audi Sport® with their fixed rear-wing spoiler, Black optic exterior elements and red brake calipers. With a design inspired by a runner on the starting blocks, the TT family of vehicles brings the thrill of sport to the roads you take every day.

2019 Audi TTS Coupe shown in Mythos Black metallic with available 20" Wheel package and Red brake calipers.

2019 Audi TT Coupe shown in Nano Gray metallic with available S line® competition package.

2019 Audi TT Roadster shown in Glacier White metallic with available S Sport seat package and 19" Wheel package.

# We went the distance so you could enjoy every mile.

Audi engineers put countless hours of research and development toward producing a sports car worthy of your satisfaction, even if it meant working overtime to ensure the performance is precisely what it needs to be. A potent 228-hp turbocharged 2.0-liter TFSI<sup>®</sup> engine<sup>1</sup> and the vertical elements of the full LED headlights pay homage to the Audi R8. We designed an ergonomic interior to help provide an optimal driving position with easy access to advanced features, like MMI<sup>®</sup> touch and Audi virtual cockpit.<sup>2</sup> And we painstakingly created a Roadster worthy of the TT badge, ready to wind down the blacktop with the top down.

2019 Audi TT Coupe shown in Nano Gray metallic with available S line<sup>®</sup> competition package.

2019 Audi TT Roadster shown in Glacier White metallic with available S Sport seat package and 19" Wheel package.

2019 Audi TT Roadster shown with Palomino Brown Fine Nappa leather seats, available S Sport seat package and Technology package.

Professional driver on a closed course. Do not attempt. 1 Always obey all speed and traffic laws. 2 Always pay careful attention to the road, and do not drive while distracted. See Owner's Manual for further details and important limitations.

# Performance makes itself available at the most opportune times.

Whether it's off-the-line motivation, around-the-corner agility or the power to pass, the Audi TT Coupe and Audi TT Roadster were engineered to turn driver input into quick results. Powered by a 2.0-liter TFSI® four-cylinder engine that produces a broad range of turbocharged torque, the Audi TT feels eager to please. A seven-speed S tronic® dual-clutch automatic transmission and quattro® all-wheel drive turns engine power into exhilarating motion. Ride, handling and steering weight are driver adjustable through the innovative Audi drive select system that features comfort, dynamic and a customizable individual mode. By fusing these systems into a synergistic whole, the Audi TT rarely lets an opportunity to thrill pass you by.

	Drivetrain	Output	Performance <sup>1</sup>
<b>TT Coupe</b>	2.0-liter TFSI® four-cylinder engine with seven-speed S tronic® dual-clutch automatic transmission and quattro® all-wheel drive.	228 hp / 258 lb-ft.	TT Coupe
<b>TT Roadster</b>			0-60 mph in 5.2 seconds
			TT Roadster
			0-60 mph in 5.5 seconds
			Top speed 130 mph

# TTS!

Turn the open  
road into a  
captive audience.

The captivating feeling of excitement, joy and thrills represents proof that we are alive. The Audi TTS rewards this enthusiastic spirit with its 288-hp, 2.0-liter turbocharged TFSI® engine<sup>1</sup> and S model exterior with Aluminum-optic styling notes. Little surprises along the road become moments to appreciate, like the grip of quattro® all-wheel drive. Quad exhaust outlets and optional Red brake calipers help turn those looking on into onlookers and help you make the most of your captive audience.

2019 Audi TTS shown in Turbo Blue with available 20" Wheel package and optional equipment.

2019 Audi TTS shown with available Rotor Gray Fine Nappa leather seats and Technology package.  
Professional driver on a closed course. Do not attempt. <sup>1</sup> Always obey all speed and traffic laws.

# Your rivals won't deny your competitive instincts.

The available competition packages accentuate the powerful look of the 2019 Audi TT and TTS with details inspired by Audi Sport® models. High-gloss black exterior accents and S Sport seats wrapped with leather/Alcantara® seating surfaces mark a distinctive sporty appearance. Audi Sport® wheels, a fixed rear-wing spoiler and Red brake calipers help strike an aggressive, sport-forward stance.

# Let your self-expression shine.

Help fulfill all aspects of your lifestyle with Audi Genuine Accessories. Whether you're planning a getaway or looking to make a stylish personal statement, we have the essentials to equip your vehicle while conveying your individuality.

## A. Audi Beam<sup>1</sup>

This lens replaces the original entry light under your vehicle's door. When the door is open, the lens projects the four rings logo on the ground. Also available with the quattro® logo.

## B. Compact cargo carrier<sup>2</sup>

Extra gear won't take up valuable cargo space with our aerodynamic carrier that offers a generous 10.5-cu-ft capacity. Black shown. Also available in Silver. Size: 76.8" long, 26.4" wide, 15.7" high. (Coupe only)

## C. All-weather cargo mat<sup>3</sup>

Custom fit for your TT, the raised outside edge of the cargo mat helps contain spills and protect cargo-area carpeting from stains. The textured material helps control load shifting. (Coupe only)

## D. 20" 5-spoke rima design wheel<sup>1</sup>

Enhance the sport appearance of your Audi TT with unique cast-aluminum wheels.

## E. All-weather floor mats<sup>3</sup>

The all-weather floor mats feature a deep-ribbed, channeled design that helps protect your vehicle's floor and carpeting from the elements. Black mats are available in a set of two and feature the TT logo.

## F. Premium textile floor mats<sup>3</sup>

These skid-resistant, precision-fit mats are made of long-life fabric to help protect your vehicle's interior from the elements. Mats are black with silver piping and available in a set of two.

### Audi Genuine Sport and Design Accessories

For a bolder appearance or a finishing touch, we have a solution that helps make every mile more enjoyable—and more yours.

- ▶ Stylish wheel designs
- ▶ License plate frames

### Audi TravelSpace Transport Accessories

When you're on the go, help make sure what you want to carry fits with a variety of intelligent and innovative solutions.

- ▶ Bike and ski racks<sup>2</sup>
- ▶ Rooftop cargo carriers<sup>2</sup>
- ▶ In-vehicle cargo bags<sup>4</sup>

### Audi Guard Comfort and Protection Accessories

Help protect what you love. Use Audi Guard Comfort and Protection Accessories to help keep your Audi looking like new—inside and out.

- ▶ Floor mats<sup>3</sup>
- ▶ First aid kit
- ▶ Cargo mats<sup>3</sup>

### Audi Guard Car Care Products

Your Audi TT deserves the very best, and this is it: the only car care line designed specifically for Audi vehicles.

- ▶ Leather care<sup>5</sup>
- ▶ Detailing tools<sup>5</sup>
- ▶ Winter protection<sup>5</sup>

<sup>1</sup> Proper installation required. Professional installation recommended. See your authorized Audi dealer for details. <sup>2</sup> Proper installation required. See dealer for details. All roof-rack system attachments require the base carrier bars. All accessories sold separately. Recreational equipment and sporting equipment not included. <sup>3</sup> Proper installation required. Professional installation may be recommended. See owner's literature and dealer for details. <sup>4</sup> Always ensure cargo is properly secured. See owner's manual for details. <sup>5</sup> Not available in all states. Check with your authorized Audi dealer for product availability.

# Rewrite the rules of style.

A

C

## A. Braun lambskin leather jacket

Slip into this sporty-looking, soft leather jacket when the days are chilly. A banded collar and leather shoulder patches add distinctive touches, and zippered pockets help hold onto small items.

## B. Under Armour® SideLine cap

The high-quality structured construction helps this cap keep its shape, while the stretch material provides a comfortable fit. To help wick away sweat, this cap features a HeatGear® sweatband. The Audi rings logo shows you're driven by great design.

## C. Asobu® Le Canal bottle

Made from stainless steel and a vacuum-insulated dual copper interior, this bottle was designed to keep your beverages either cool or warm. The rubberized exterior makes it easy to grip, and its slender form slides easily into your backpack's bottle pouch.

D

## D. Audi active wear

For you, the fun begins when you break a sweat. The Audi collection of active wear is designed to keep you warm when it's chilly, dry when it rains, or help shade your eyes on sunny days. Available in several styles and colors, these active life items are made to put in the extra miles.

## E. Ladies' Saturday sweatshirt

The soft fleece texture is made from an 80% cotton and 20% polyester blend that can help keep you warm throughout the day. The Saturday sweatshirt features ribbed cuffs, hand-warming pockets and covered center zipper.

## F. Game set

This game set features chess, backgammon, cribbage, dominoes and a deck of playing cards. Featuring a carbon fiber and mother-of-pearl interior panel plus a black protective outer case with contrast stitching, it looks great in your home or office.

1 These tires may ride less comfortably, make more noise, and wear more quickly than other choices. To avoid tire, rim or vehicle damage, it is important that inflation pressure is regularly checked and maintained at optimum levels. High-performance tires are designed for optimum performance and handling in warm climates and are not suitable for cold, snowy or icy weather conditions. When driving during cold, snowy or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Tires are supplied and warranted by their manufacturer. 2 Always pay careful attention to the road, and do not drive while distracted. See Owner's Manual for further details and important limitations. 3 SiriusXM® and SiriusXM® Traffic subscriptions are sold separately or as a package after trial period and are continuous until you call SiriusXM® to cancel. See Customer Agreement for complete terms and more information at [www.siriusxm.com](http://www.siriusxm.com). SiriusXM® Traffic service available in select markets. SiriusXM® U.S. Satellite Service available only to those in the 48 contiguous U.S.A., D.C. and Puerto Rico (with coverage limitations). 4 Requires compatible smart device. This is a CONSUMER device. BEFORE USE, you MUST REGISTER THIS DEVICE with your wireless provider and have your provider's consent. Most wireless providers consent to the use of signal boosters. Some providers may not consent to the use of this device on their network. If you are unsure, contact your provider. You MUST operate this device with approved antennas and cables as specified by the manufacturer. Antennas MUST be installed at least 20 cm (8 inches) from any person. You MUST cease operating this device immediately if requested by the FCC or a licensed wireless service provider. WARNING. E911 location information may not be provided or may be inaccurate for calls serviced by using this device. 5 See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces. 6 Driver Assistance features are not substitutes for attentive driving. Please see your Owner's Manual for further details and important limitations. 7 Driver Assistance features are not substitutes for attentive driving. Please see your Owner's Manual for further details and important limitations. 8 Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi Navigation plus route. 9 Always pay careful attention to the road, and do not drive while distracted. Audi connect® should be used only when it is safe and appropriate. Audi connect® services and features are optional, provided with the support of authorized affiliated and third-party service providers, and may require additional subscriptions with separate terms and conditions. Available on select models. Certain services collect location information; see Terms of Service for information about how to disable and for other details. Connect services are subject to technologies remaining commercially available; such services are not guaranteed and may not be available after 2021 for equipped MY17-20 vehicles. 10 Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Message and data usage rates apply. These features require compatible device, operating system and mobile apps. See mobile device and app providers for terms and privacy. "Android," "Android Auto," "Google Play" and other marks are trademarks of Google Inc. "Apple CarPlay" is a registered trademark of Apple Inc. 11 These tires may ride less comfortably, make more noise, and wear more quickly than other choices. To avoid tire, rim or vehicle damage, it is important that inflation pressure is regularly checked and maintained at optimum levels. Tires are supplied and warranted by their manufacturer.

■ Standard □ Optional — Not applicable NA Information not available at time of printing

<sup>1</sup> Always pay careful attention to the road, and do not drive while distracted. <sup>2</sup> Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws. <sup>3</sup> 2019 EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. See [www.fueleconomy.gov](http://www.fueleconomy.gov) for details. <sup>4</sup> Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter.
